

17th IFIP WG 11.2 International Conference on Wireless and Mobile Computing, Networking and Communications (WiMob 2024)

Bologna, Italy, June 17-18, 2024

The 17th IFIP WG 11.2 International Conference on Wireless and Mobile Computing, Networking and Communications (WiMob 2024) will be held in Bologna, Italy, from June 17 to 18, 2024. The conference will provide a forum for researchers, practitioners, and industry professionals to share their latest research findings, innovative ideas, and practical experiences in the field of wireless and mobile computing, networking, and communications.

Wired/Wireless Internet Communications: 17th IFIP WG 6.2 International Conference, WWIC 2024, Bologna, Italy, June 17–18, 2024, Proceedings (Lecture Notes in Computer Science Book 11618) by Dante Alighieri

★★★★☆ 4.5 out of 5

Language : English
File size : 33935 KB
Text-to-Speech : Enabled
Screen Reader : Supported
Enhanced typesetting : Enabled
Print length : 400 pages

The conference will cover a wide range of topics, including but not limited to:

- Wireless and mobile networks
- Mobile computing and applications
- Networking and communications
- Cloud and edge computing
- Internet of Things (IoT)
- Artificial intelligence (AI)
- Blockchain
- Security and privacy

The conference will feature a keynote speech by a leading expert in the field of wireless and mobile computing, networking, and communications. The conference will also include a number of technical sessions, workshops, and tutorials. The conference proceedings will be published in a Springer book series.

The conference is organized by the IFIP WG 11.2 on Wireless and Mobile Computing, Networking and Communications. The conference chair is Professor Antonio Liotta from the University of Bologna, Italy. The conference co-chairs are Professor Vincenzo Mancuso from the University of Naples Federico II, Italy, and Professor Luigi Alfredo Grieco from the University of Salento, Italy.

The conference is supported by the IEEE Communications Society, the ACM SIGMOBILE, and the European Alliance for Innovation.

Important Dates

- Paper submission deadline: March 15, 2024
- Notification of acceptance: April 15, 2024
- Camera-ready paper submission deadline: May 15, 2024
- Conference dates: June 17-18, 2024

Submission Guidelines

Authors are invited to submit original and unpublished research papers in all areas of wireless and mobile computing, networking, and communications. Papers should be submitted electronically in PDF format using the EasyChair submission system.

Papers should be no more than 8 pages in length, including references. Papers should be formatted according to the Springer LNCS style. For more information on the Springer LNCS style, please visit the following website:

<https://www.springer.com/gp/computer-science/lncs/conference-proceedings-guidelines>

Contact Information

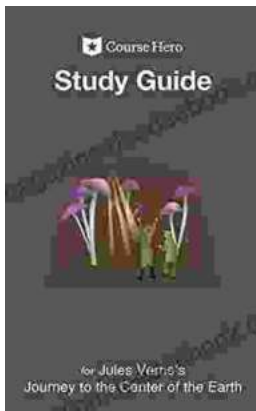

For more information about the conference, please contact the conference chair, Professor Antonio Liotta, at antonio.liotta@unibo.it.
