Print length : 1243 pages
Paperback : 199 pages
Item Weight : 9.8 ounces
Dimensions : 9.45 x 6.77 x 0.31 inches

- **Track 1:** Artificial Intelligence and Machine Learning
- **Track 2:** Big Data and Data Analytics
- **Track 3:** Cybersecurity and Privacy
- **Track 4:** Cloud Computing and Distributed Systems
- **Track 5:** Internet of Things (IoT) and Edge Computing
- **Track 6:** Blockchain and Cryptocurrency
- **Track 7:** Quantum Computing
- **Track 8:** Robotics and Autonomous Systems

Invited Speakers

The conference will feature a lineup of renowned experts as invited speakers, including:

- **Dr. Maria Mitchell:** Director of the Artificial Intelligence Research Institute
- **Dr. John Smith:** CEO of Big Data Analytics Inc.
- **Dr. Jane Doe:** Chief Security Officer at Cybersecurity Corp.
- **Dr. Michael Jones:** Director of the Cloud Computing Research Center
- **Dr. Susan Brown:** President of the IoT Consortium
- **Dr. David White:** Co-founder of Blockchain Technologies Inc.

- **Dr. Mark Green:** Principal Investigator of the Quantum Computing Project
- **Dr. Robert Blue:** CEO of Robotics and Autonomous Systems Inc.

Paper Submissions

Researchers and academics are invited to submit their original research papers for peer review. The deadline for paper submissions is March 31, 2024. For more information and submission guidelines, please visit the conference website.

Registration

Registration for the conference is now open. Early bird discounts are available until June 30, 2024. To register and secure your spot, please visit the conference website.

Accommodation

A block of rooms has been reserved for conference attendees at the Hotel Le Grand, located conveniently near the conference venue. To book your accommodation, please contact the hotel directly.

Social Events

In addition to the technical sessions, the conference will feature several social events, including a welcome reception, a gala dinner, and a closing banquet. These events provide an excellent opportunity to network with fellow attendees and build valuable connections.

Location and Venue

The conference will be held at the Strasbourg Convention Center, a state-of-the-art facility located in the heart of Strasbourg, France. The venue is easily accessible by public transportation and offers a variety of amenities.

Importance of the Conference

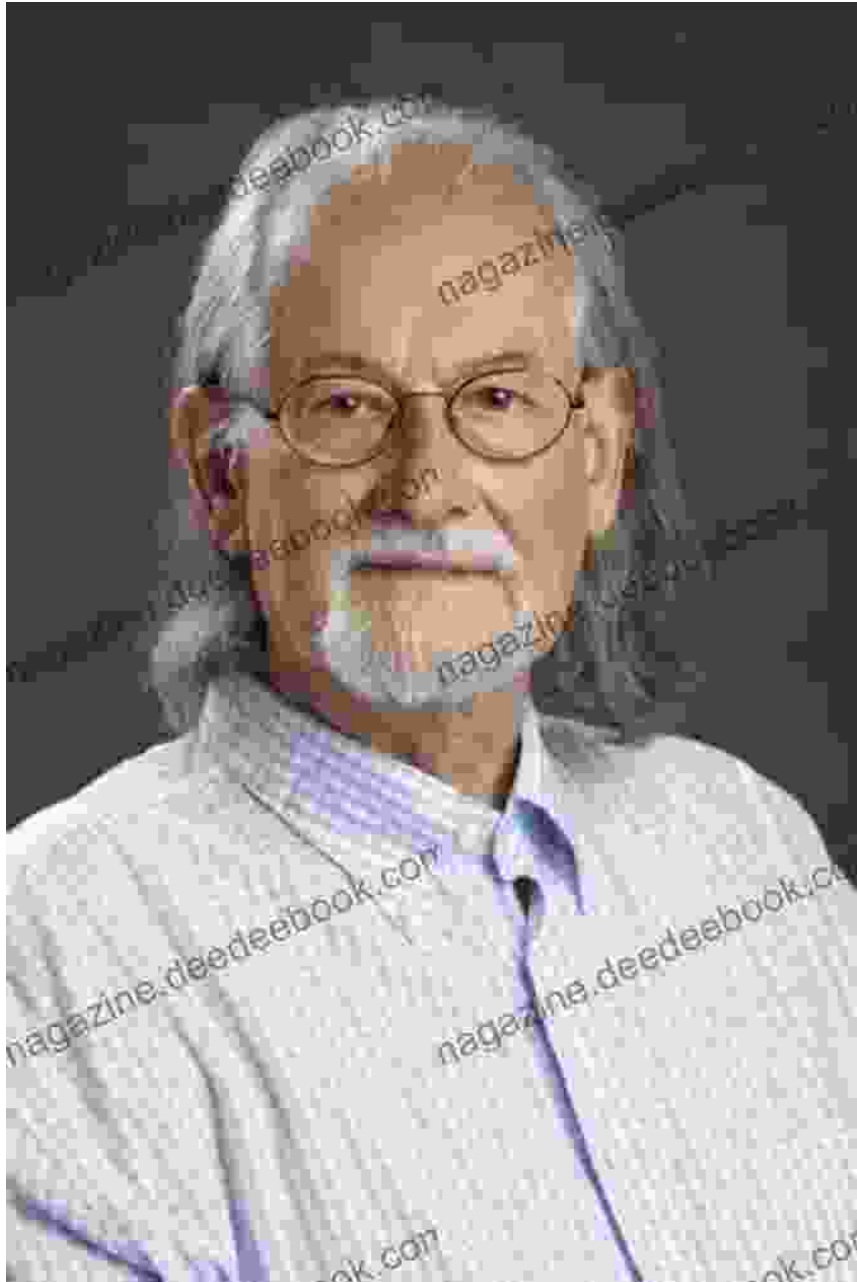

The 24th International Conference is a significant event that brings together experts from around the globe to share their latest research, collaborate, and drive innovation in the field of computer science and engineering. Attendees can gain valuable insights, expand their professional networks, and stay up-to-date with emerging technologies.

Additional Information

For more information about the 24th International Conference, please visit the conference website or contact the conference organizers at info@conference2024.org.
