Which Astrokids Should You Use?

The best Astrokids to use will depend on your playstyle and the team you're facing. However, some general tips include:

- Always have at least one tank Astrokid on your team to soak up damage for your other Astrokids.
- Attacker Astrokids are essential for dealing damage to the enemy team, so make sure you have at least two or three on your team.
- Support Astrokids can provide invaluable support to your team, so consider adding one or two to your lineup.

With over 100 unique Astrokids to choose from, there are endless possibilities for team combinations. Experiment with different Astrokids and abilities to find the perfect team for your playstyle.
