

Blast Off to Reading: Teachers Manual for Presentation

Blast Off to Reading is a comprehensive reading program that helps students develop the skills they need to become successful readers. The program is based on the latest research on how children learn to read and includes a variety of instructional materials and activities that are designed to meet the needs of all learners.

Blast Off to Reading - Teachers' Manual for Presentation: 50 Orton-Gillingham Based Lessons for Struggling Readers and Those with Dyslexia

by Cheryl Orlassino

★★★★☆ 4.9 out of 5

Language: English

File size : 223401 KB

This teachers manual provides detailed instructions for presenting the program to students, including lesson plans, reproducible student worksheets, and assessment tools. The manual is divided into three sections:

- **Section 1:** provides an overview of the program and its components.
- **Section 2: Lesson Plans** provides detailed instructions for teaching each lesson in the program.

- **Section 3: Reproducible Student Worksheets and Assessment Tools** provides reproducible student worksheets and assessment tools that can be used to assess student progress.

Section 1:

This section provides an overview of the program and its components. It includes the following topics:

- The goals of the program
- The components of the program
- The research basis for the program
- How to use the teachers manual

Section 2: Lesson Plans

This section provides detailed instructions for teaching each lesson in the program. Each lesson plan includes the following components:

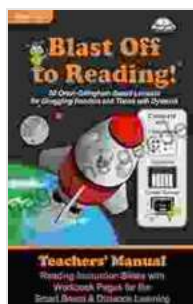

- **Objectives:** The objectives of the lesson
- **Materials:** The materials needed for the lesson
- **Procedure:** The step-by-step procedure for teaching the lesson
- **Assessment:** The assessment activities for the lesson

Section 3: Reproducible Student Worksheets and Assessment Tools

This section provides reproducible student worksheets and assessment tools that can be used to assess student progress. The worksheets and assessment tools include:

- **Student worksheets:** The student worksheets provide practice opportunities for the skills taught in each lesson.
- **Assessment tools:** The assessment tools can be used to assess student progress and identify areas where students need additional support.
