A History of Style

John Leather was founded in 1975 by John Doe, a passionate motorcyclist who wanted to create a line of leather jackets that were both stylish and functional. The company's first jacket, the "John Doe," was an instant hit, and John Leather quickly became one of the leading brands of leather jackets in the world.

Today, John Leather offers a wide range of leather jackets for men and women, from classic styles to modern designs. Whether you're looking for a jacket for riding, racing, or everyday wear, John Leather has the perfect jacket for you.

Comfort and Durability

John Leather jackets are not only stylish, but they're also incredibly comfortable and durable. The jackets are made from the finest quality leather, which is soft to the touch and conforms to your body over time. The jackets are also fully lined with a soft, breathable material that wicks away sweat and keeps you comfortable all day long.

John Leather jackets are also built to last. The jackets are constructed with heavy-duty stitching and hardware, and they're designed to withstand years of wear and tear. Whether you're riding a motorcycle, working in the garage, or just running errands around town, John Leather jackets will keep you looking good and feeling great.
