In addition to his long-running series, Tezuka also wrote and illustrated a number of shorter works. These stories often explored different genres and themes than his more famous works. Some of these shorter works are collected in the 14-volume *Osamu Tezuka Complete Works* series. This series includes a number of Tezuka's early works, as well as some of his later, more experimental pieces.

Here is a brief overview of 14 of Tezuka's shorter works that are included in the *Osamu Tezuka Complete Works* series:

1. Terrible Tomboy Pair of Schoolgirls

Terrible Tomboy Pair of Schoolgirls is a short comedy manga about two tomboyish schoolgirls named Tomoko and Akane. The two girls are

constantly getting into trouble, both at school and at home. Their antics often lead to hilarious results.

2. The School by the Sea

The School by the Sea is a heartwarming story about a group of children who live on a remote island. The children attend a small schoolhouse that

is located on the beach. The story follows the children as they learn about life and friendship.

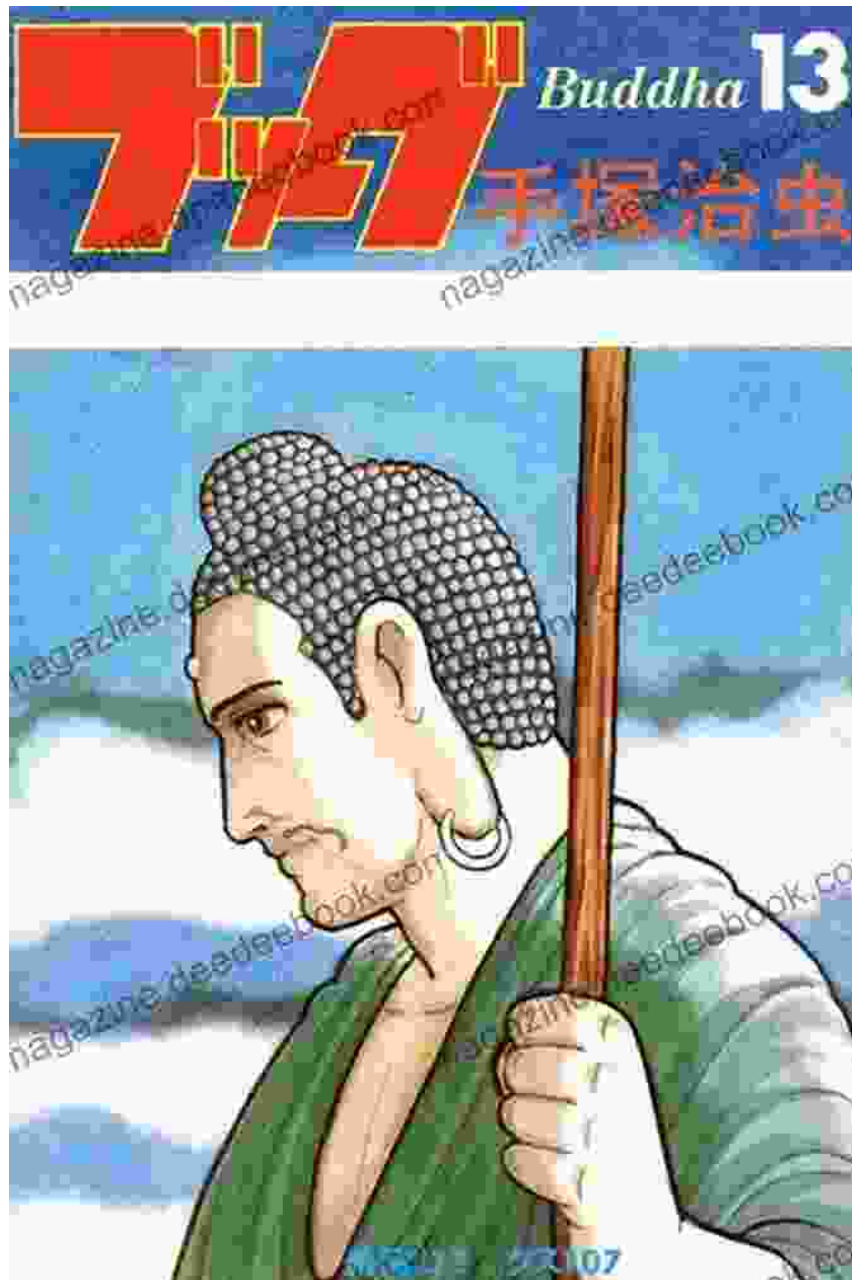

3. Metropolis

Metropolis is a science fiction manga that is set in a futuristic city. The story follows Kenichi, a young man who is searching for his father. Kenichi's

search leads him to a mysterious underground city where he learns about the secrets of Metropolis.

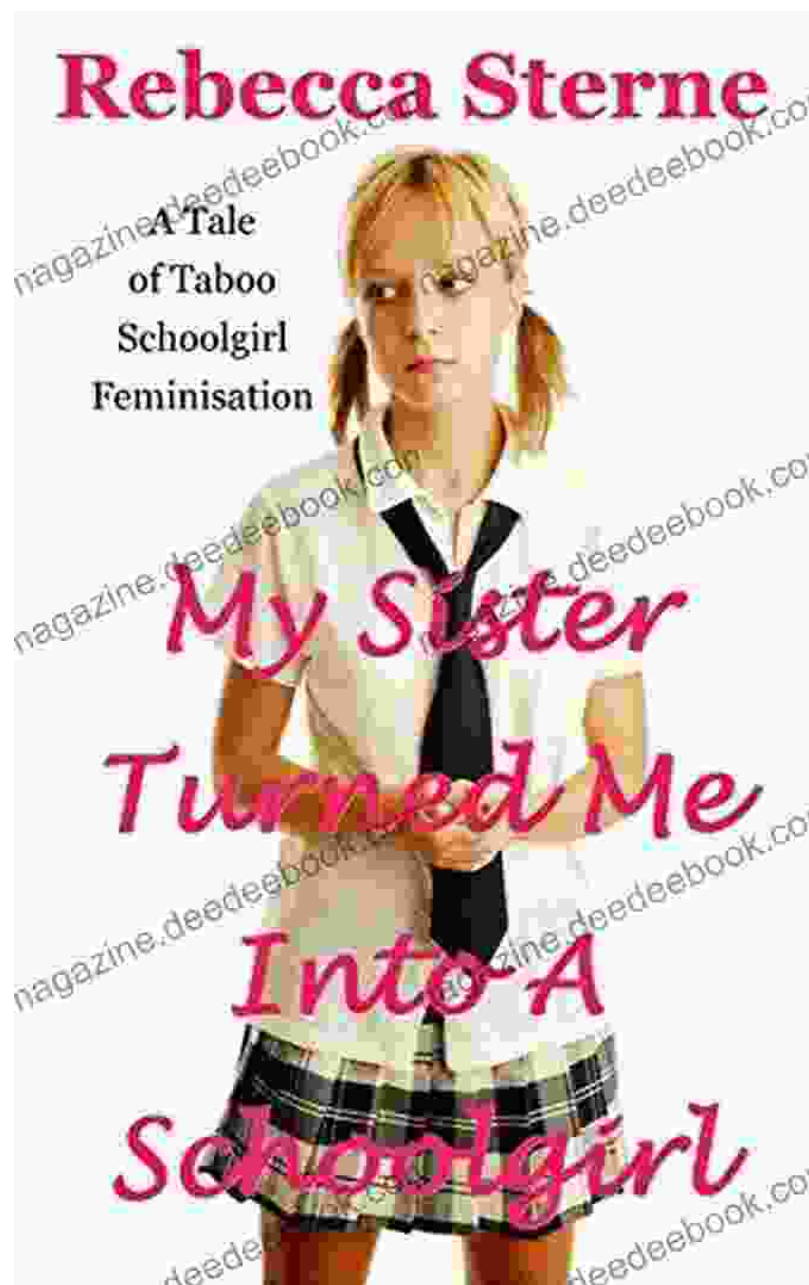

4. Buddha

Buddha is a historical drama manga that tells the story of the life of Buddha. The story follows Buddha from his birth to his enlightenment and

his eventual death. Buddha is a complex and challenging work that explores the themes of religion, philosophy, and human nature.

5. Phoenix

Phoenix is a science fiction manga that follows the journey of a young woman named Rumiko. Rumiko is searching for the Phoenix, a mythical bird that is said to grant immortality. Rumiko's journey takes her to different

planets and time periods, where she encounters a variety of people and experiences.

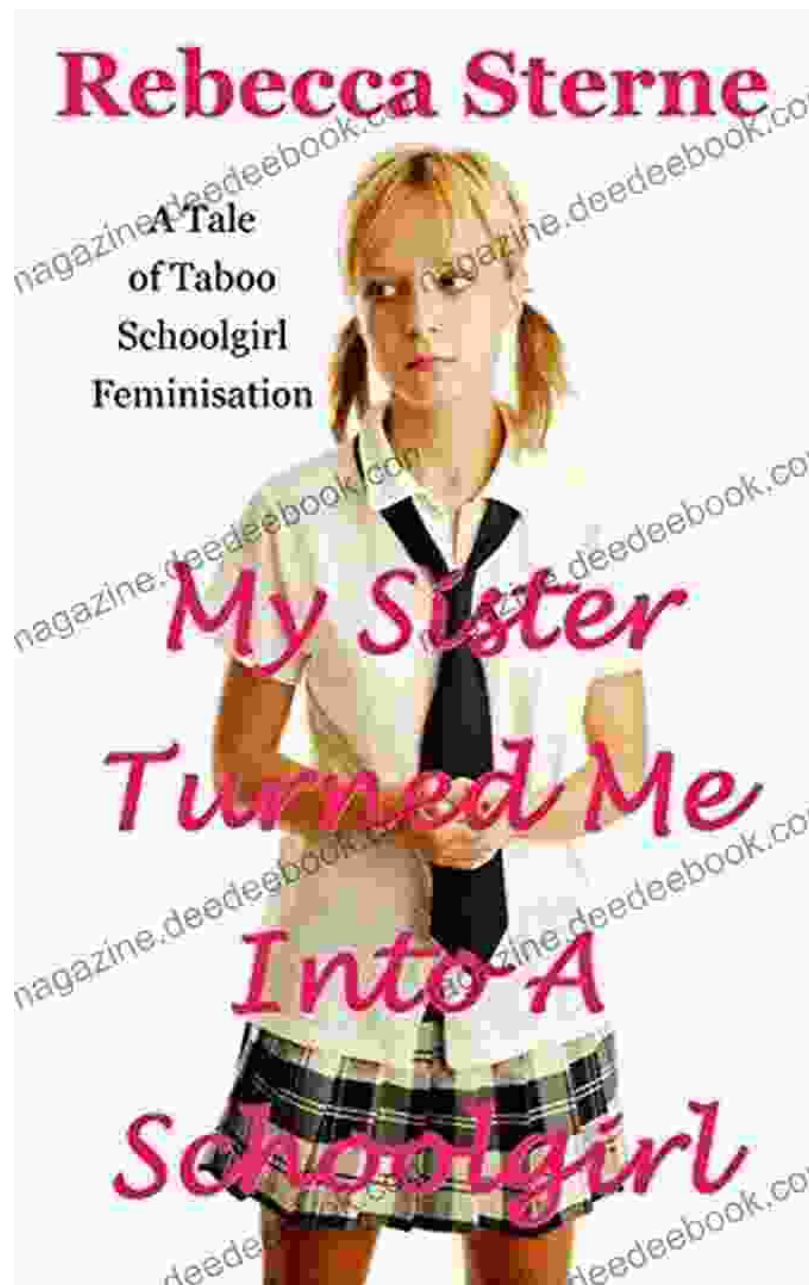

6. Black Jack

Black Jack is a medical drama manga that follows the story of Dr. Black Jack, a brilliant surgeon who is known for his unorthodox methods. Dr.

Black Jack is a complex and enigmatic character who is often willing to break the rules in order to save his patients.

7. MW

MW is a science fiction manga that follows the story of Michio Yuki, a young man who is kidnapped by aliens. Michio is implanted with a device

that gives him the ability to control objects with his mind. Michio uses his powers to fight against the aliens and save his friends.

8. Adolf

Adolf is a historical drama manga that tells the story of the rise of Adolf Hitler and the Nazi Party. The story follows Adolf Eichmann, a young man who joins the Nazi Party and eventually becomes one of Hitler's closest confidants. *Adolf* is a complex and controversial work that explores the themes of fascism, racism, and anti-Semitism.

9. Ayako

Ayako is a psychological thriller manga that follows the story of Ayako, a young woman who is obsessed with her mother. Ayako's obsession leads her to commit a series of murders. *Ayako* is a dark and disturbing work that explores the themes of madness, violence, and incest.

10. Kirihito

Kirihito is a science fiction manga that follows the story of Kirihito, a young man who is infected with a virus that gives him the ability to see the future. Kirihito uses his powers to help people, but he soon realizes that the virus is slowly killing him.

11. Ode to Kirihito

Ode to Kirihito is a sequel to Kirihito. The story follows Kirihito's friends and family as they try to come to terms with his death. *Ode to Kirihito* is a moving and bittersweet story that explores the themes of love, loss, and friendship.

12. Next World

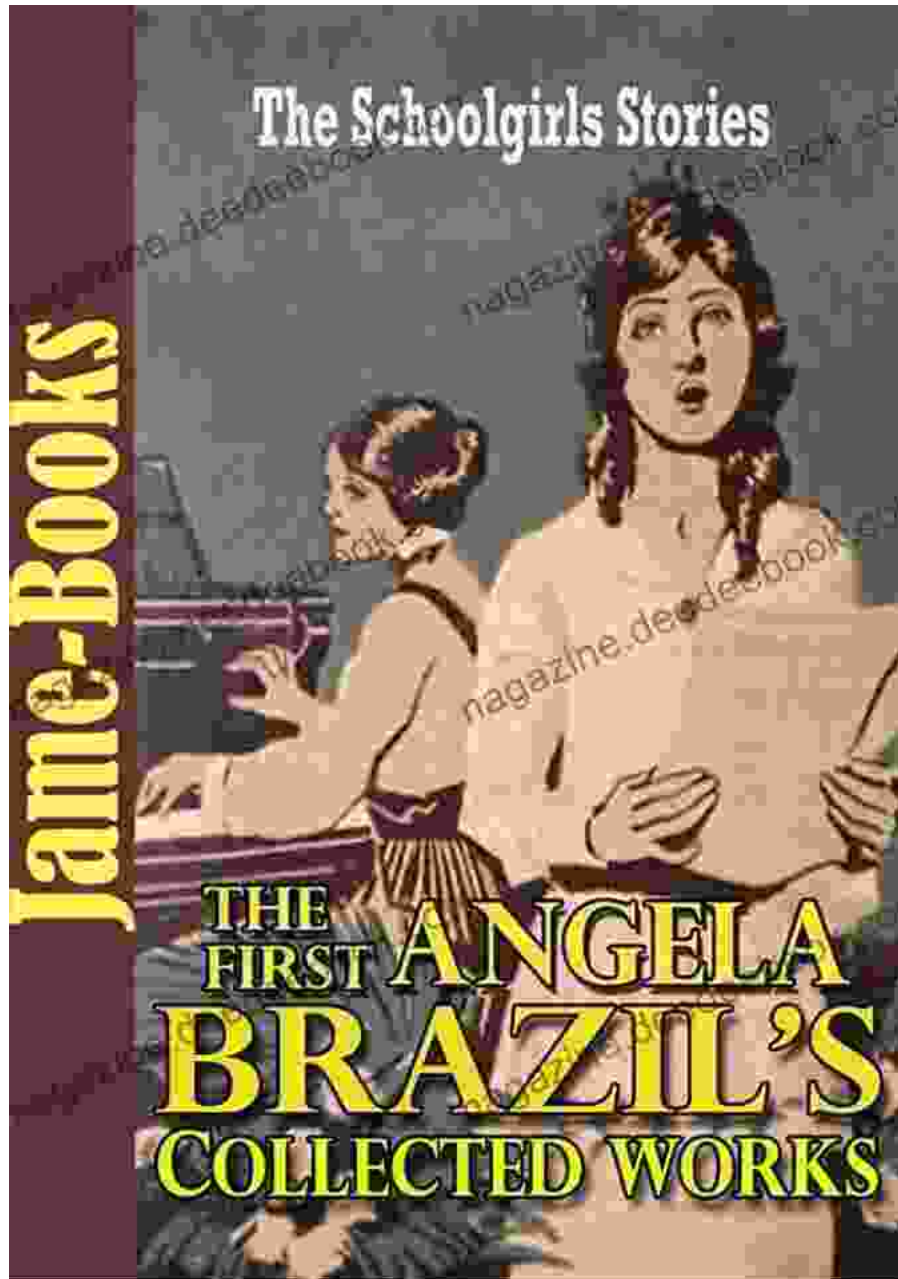

Next World is a science fiction manga that follows the story of a group of people who are transported to a parallel world. The people in this world are ruled by a tyrannical government. The group must find a way to overthrow the government and return to their own world.

13. Under the Air

Under the Air is a science fiction manga that follows the story of a group of people who live in a post-apocalyptic world. The world has been ravaged by war, and the survivors are living in small, isolated villages. The story follows the group as they try to rebuild their lives and find a way to survive.

14. Orion

Orion is a science fiction manga that follows the story of a young man named Orion. Orion is a member of the Galactic Federation, a group of planets that are united in peace. Orion is sent on a mission to investigate a mysterious planet that is threatening the Federation. Orion soon discovers that the planet is home to a powerful alien race that is planning to invade the Federation.

These are just a few of the many great works that Osamu Tezuka created during his lifetime. Tezuka was a prolific and talented artist who left behind a legacy of work that continues to inspire and entertain readers of all ages.
