## The Story: A Journey Through Grief and Redemption

*When Never Comes* centers around the Sorenson family, a close-knit group whose world is shattered by the untimely death of their beloved patriarch, John. In the aftermath of his passing, his wife, Hannah, and their three children, Jake, Leah, and Emma, are left reeling from the loss and must come to terms with the overwhelming void he has left behind.

As the family navigates their grief, they are confronted with their own individual struggles. Hannah, a talented artist, grapples with depression and the loss of her creative spark. Jake, the eldest son, is forced to confront his troubled past and addiction. Leah, the middle child, struggles with her identity and place in the family. Emma, the youngest, seeks solace in her art and the memories of her father.

Through their shared experiences and unwavering love, the Sorensens embark on a journey of healing and redemption. They learn to lean on each other for support, to confront their inner demons, and to find a way to live with the loss of their beloved father.

### **The Characters: Complex and Heartbreaking Portraits**

Barbara Davis paints a vivid and nuanced portrait of each family member, capturing their unique personalities, struggles, and aspirations.

Hannah Sorenson is the heart and soul of the family. A talented artist, she has always found solace in her paintings. However, after John's death, she loses her inspiration and struggles to find a way to express herself creatively. Hannah embodies the raw pain and vulnerability of losing a loved one, yet she also demonstrates incredible resilience and a deep love for her family.

Jake Sorenson is a troubled young man haunted by his past. As the eldest son, he feels a sense of responsibility for his family, but his own struggles with addiction and mental illness often overshadow his good intentions. Jake's character arc is both heartbreaking and inspiring, as he grapples with his demons and ultimately finds redemption.

Leah Sorenson is a fiercely independent young woman struggling to find her place in the world. She resents her father's death for taking away the stability and security she once knew. Leah's journey of self-discovery and acceptance mirrors the challenges faced by many young adults, making her a relatable and sympathetic character.

Emma Sorenson is the youngest child, a sensitive and artistic soul who finds solace in her drawings. Emma represents the innocence and vulnerability of childhood, and her perspective on the events that unfold provides a unique and poignant lens through which to view the family's journey.
